Inauguration function of, Computer Society of India (CSI) Student Branch

Department of Computer Science, Baba Saheb Bhimrao Ambedkar University, Lucknow

Adding a new dimension to its growth, the Department of Computer Science organised a one day function to inaugurate the Student branch of Computer Society of India at Babasaheb Bhimrao Ambedkar University on **18th February 2009**. The whole day function was full of activities and was a big success as it received a large number of participation from all sections.

Function started with lighting of lamp by the chief guest and other dignitaries which was followed by the welcome song by MCA students. Welcome address was delivered by Dean, of school for Information Science & Technology Prof D.P. Singh.

The Head, Department of Computer Science and also Student Branch Coordinator (SBC) Dr. Sanjay Kumar Dwivedi who took the initiative for opening the student branch at the university, thanked the Chief guest for taking pain for coming all along from CSI education H.Q. Chennai, and also the vice chancellor of the University Prof. B. Hanumaiah for his constant support and motivation. He explained the importance of opening the student branch in the university and suggested students to fully utilize this broad platform by regularly organizing activities.

Introduction of the chief guest **Prof. N. Ramanathan**, Education Director (CSI) was done by Dr. Vipin Saxena, Reader, Department of Computer Science. In his inaugural address, Prof Ramanathan emphasized the role of CSI in career building of students. He told that the hard work and discipline in life is the key to growth success and asked students to develop good communication and innovative skills. He thanked the branch coordinator for his contributions to CSI and efforts in opening this student Branch. He also put badges to the selected office bearers from among the MCA students.

Presidential Address was given by Vice Chancellor of the University Prof. B. Hanumaiah. He expressed his pleasure on opening the new student's chapter and asked every one to organize more such activities so that our students may get benefited. He also thanked the chief guest for his visit to Lucknow for this cause and also to SBC to organize such activity.

Vote of Thanks was delivered by Dr. U.S. Rawat, University Registrar. He conveyed his thanks to all the dignitaries, Faculty, officers and staff, Members from press and Students for there active participation and making the event a success.

Later in the technical section, Prof. **N. Ramanathan** delivered a talk on "Effective teaching Methodology" which was attended by a large number of faculty and staff members of the university.

A Quiz Competition and Seminar was also organized by the MCA Students in which a large no of students from various departments participated. Winners were announced by the chief guest at the end of function. Finally vote of thank was given by Mrs. Deepa Raj, Lecturer of the department.
